

Alternative 1

Would involve grading the site and seeding it with a California coastal wildflower mix.

No additional funds required.

Alternative 2

Would entail new landscaping and the addition of a 528-foot walking trail, as well as two entry areas, four park benches, two trash receptacles.

Estimated cost:
\$70,000.

Alternative 3

Would include elements of Alternative 2, plus two adult fitness spaces, four to six decorative light poles and a water fountain.

Estimated cost:
\$75,000 to
\$120,000.
