## INVEST IN YOUR FUTURE EMPLOYEES EARLY

Our student interns are high school juniors and seniors who have successfully completed an extensive two-month-long Job Readiness Training Program.

We walk employers through the process of becoming an internship site and provide ongoing support throughout the internship duration.

Why wait any longer to get the extra support you need?

Interested employers may email [internship@sbceo.org](mailto:internship@sbceo.org)  
or call 805-964-4710 ext. 4424  
to become an approved  
Intern Host!
