State Farm Insurance Agent Colton Jamieson makes people his priority

When it comes to providing exceptional service, State Farm Insurance Agent Colton Jamieson and his team extend their expertise to help customers manage everyday risks, plan for the future and protect what matters most. Colten's passion for people and his enthusiasm for the world of insurance is a driving force in making his State Farm Agency at 623 E. Colby Street

in Whitehall, a great success. Owing his own insurance business for more than four years, Colten really enjoys working with a diversity of customers and figuring out what works best for them. "Insurance affects everyone young, old, rich and poor. The diversity of who we deal with every day, and who walks through our doors and what scenario they may be in - we

interact with everyone. That's what attracted me to insurance since the beginning," Colten said. Colten's State Farm Insurance Agency covers anything from auto insurance, to motorcycle insurance, homeowners insurance, condo insurance, renters insurance, business insurance, life insurance, pet insurance, recreational vehicle insurance and boat insurance. He is proud to serve residents in Muskegon County and surrounding areas such as Oceana, Mason, Lake, Newaygo, Kent and Ottawa counties, as well as anyone who walks through the door. Colten's team plays a big role in the success of the agency. "We have a great team. Earl and Henry handle a lot and talk with a lot of people. I wouldn't be able to do all of this on my own. The fact we can work together and rely on each other is huge," he said. With a great team comes great service. "The most positive feedback is that we are consistently here. We get back with voicemails within an hour.

People appreciate the quick response, saying "Wow, I didn't expect to hear from you for a couple of days," he said. "Our knowledge of the insurance world helps customers to understand their different options, and guide them along their insurance journey instead of doing just what they want or what we want." Colten said they are always looking for great people to get licensed in Michigan. "I get excited talking to people who want to enter the insurance world. It changed my life and opened lots of doors. I wouldn't change anything I do. I love it," he said. Along with the joy of helping people figure out their insurance needs, Colten and the team love talking to customers about life. "I love the Lord and I am a Christian," he said. "Being a small business owner and an independent contractor in an office, I've had

cool experiences talking about the Lord and seeing Him work through customers, staff and in the community." To learn more about the services Colten offers, check out his website insurethehall.com or stop in Monday through Friday from 9 a.m. to 5 p.m. at 623 E. Colby Street in Whitehall.
