Boo-tiful Halloween craft ideas

Halloween is a highlight of fall, as children and even adults anxiously await October 31. Similar to the holiday season, people often decorate their homes for Halloween, and even do so well in advance of late October to maximize the amount of time they get to enjoy the trinkets and other items.

Many people enjoy getting hands-on for Halloween. It's possible to craft decorations, personalized treats and festive costumes. Consider these ideas for Halloween craft projects.

3D PUMPKINS

Carving pumpkins is a popular Halloween tradition. But there are many people who feel the job is too messy. Instead, a fun way to add personality to pumpkins comes by way of some hot glue and paint. Use a hot glue gun to create a pattern on the outside of the pumpkin. It can be designs, a jack-o'-lantern face or just about anything. Once dry and hardened, use craft paint to go over the entire pumpkin. The raised design will be evident and add dimension.

SPOOKTACULAR WREATH

Adorn the front door with something creative. It can be utterly frightening or something more festive. Start with a premade spring greenery wreath or a wreath frame that you cover with your own greenery. Purchase a round, unfinished wooden sign panel, and paint with black chalkboard paint. Add your own message with chalk or chalk paint. "Keep Away" or "Enter at Your Own Risk" are great Halloween phrases to consider. Attach the sign in the middle of the wreath. You also can add some embellishments to the wreath, including black moss and floral stems and leaves. A glittery black and green ribbon or bow is the finishing touch before hanging.

BOO TREASURE BOX

Purchase a wooden treasure chest or box from the hobby store. Paint it all black or your favorite Halloween colors. Then add additional designs like spider webs, bats or pumpkins. Fill the box with treats or small toys. Kids can have fun picking out their treasures.

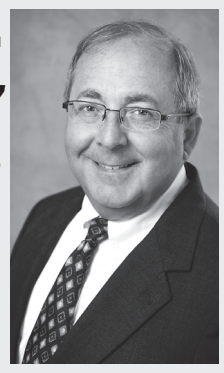

HALLOWEEN GNOMES

Gnomes have been popular for years, and they keep turning up in different iterations. You can craft your own gnomes for Halloween with a few supplies. Start with a 9-inch-tall foam cone. Cut the bottom off the toe part of a solid colored ankle sock just past the heel, and pull it up so it covers the lower few inches of the cone. Add some hot glue to secure, draw a beard shape on the back of the faux fur and cut it out. Attach the beard to the lower part of the cone over the sock. Use a crew length patterned sock to create a hat for the gnome, and glue to the top part of the cone. Glue on a large wood bead for the nose. Decorate the gnome any way you'd like, such as adding felt patches to the sock hat.

Halloween can be even more fun with some creative crafts the entire family can enjoy.

Dip into this at your Halloween party

Halloween is a wildly popular holiday, and that popularity extends to adults as well as kids. Halloween parties dot many a social schedule come late October, and parties mean food. While it's customary to indulge in a few candied treats on Halloween, adults may want something with a little nutritional value as well. This "Halloween Dip With Carrots and Canapes" from Lines+Angles can make the perfect homemade party offering this Halloween.

Halloween Dip With Carrots and Canapes

Makes 4 servings

For the dip:

3 large avocados, halved, pitted, peeled and diced
1 garlic clove, minced
1 lime, juiced
1 dash Tabasco® sauce
1/2 cup sour cream
3/4 teaspoon kosher salt
1/2 teaspoon freshly ground black pepper
1 small handful cilantro, finely chopped

To serve:
6 large carrots
1/2 cup sour cream
1 handful stuffed olives, sliced
1 handful seedless red grapes, sliced
5 slivered almonds

1. For the dip: Mash together avocado, garlic, lime juice, Tabasco®, sour cream, salt, and pepper in a serving bowl until smooth.

2. Stir in chopped cilantro. Cover and chill until ready to serve.

3. To serve: Peel and cut two carrots into thick coins. Top with sour cream and then olive and grape slices.

4. Cut the remaining carrots into finger shapes. Use a paring knife to shave down their ends into nail beds. Make a thin incision at the end of the nail beds and slide a slivered almond into them to mimic fingernails.

5. Serve finger carrots in the prepared avocado dip with the carrot coins on the side.

Answer: Clean

GUESS WHO?

I am a television producer, executive and talent manager born in England on October 7, 1959. My father got me a job in the mail room at his music publishing company. I left to start signing talent. Later, I became a talent judge on various singing and entertainment competition programs.

Answer: Simon Cowell

Family-friendly activities for fall

Fall is a welcome season for many people. The cooler temperatures and still-ample sunlight mean there is plenty of time to enjoy the great outdoors even if summer has ended. Fall activities dot the calendar, with several different options for individuals and families to get involved.

According to Acenda Integrated Health, incorporating family time into a schedule is crucial for a child's development. It's also key to have time to get a break from busy schedules. Fall is a great time to do just that with these activities.

· Apple-picking: Few things are more refreshing than taking a bite out of an apple fresh off the tree. Orchards are bursting with apples this time of year, and an afternoon spent picking apples is a great way to spend time together.

· Leaf treasure hunt: Everyone can head outdoors with a bag or basket to gather leaves. Look for the brightest color or the crunchiest leaf that can be found. The leaves can be pressed between wax paper to save them.

· Fall festivals: Outdoor festivals are ideal for families because they tend to feature crafts, food, music, and activities.

· Fall baking: Turn those plucked apples into pies or muffins, or use pumpkin and cinnamon to fill a home with delicious seasonal smells. Kids can help stir, pour and sprinkle ingredients.

· Corn maze: Corn mazes may be set up adjacent to pumpkin patches, so the family can pick out the perfect pumpkin to carve and then try to navigate the maze.

· Spooky walk: Halloween lands right in the heart of fall. Enjoy a walk through the neighborhood checking out people's Halloween decorations. A night walk with flashlights to listen to the sounds of animals can be "scary" in its own right. Another idea is to go to a haunted house or walk sponsored by a school or amusement park.

· Football: Enjoy a pick-up game of flag or touch football. It's a great way to enjoy time outdoors and expend some physical activity.

Fall is a perfect time to enjoy family-friendly activities.
