Diploma display ideas

Many graduates are excited about the prospect of receiving their diplomas. Once in hand, the document can be put on display. The following are some unique ways to showcase diplomas at home or at work.

FRAMING

One of the classic ways to display a diploma is in a frame. Many businesses offer customized framing where the frame material and the matting can be chosen. Some grads may want to include a photograph of the school or a picture of the graduate above the diploma. Graduates also may want to select a frame and mat that coordinates with school colors.

CREATE A SHADOW BOX

Consider displaying the diploma with other mementos from school. A shadow box is a large, deep display frame that can house items that are thicker than photographs or papers. Items such as a graduation tassel, medal or other award, a varsity jacket patch,

or a program from a school performance or awards ceremony can be placed in the shadow box.

CREATE A PHOTO WALL

Display the diploma among other framed photos from school activities. This can elicit a trip down memory lane every time the wall is viewed. Some families may want to display their diplomas together, especially if multiple family members attended the same school.

MAKE A WORK OF ART

Various online art vendors can turn the diploma into different works of art. For example, engravers can laser engrave the diploma onto a wooden plaque. Then the diploma can be displayed in one location and the wood plaque in another.

PLACE IT UNDER GLASS

Display the diploma beneath the glass top of a coffee table. When entertaining guests, the diploma can make for a unique conversation piece.

Great gifts for today’s grads

Though not everyone may be able to gather this year for a blow-out graduation party, thoughtful gifts can show graduates their accomplishments have not gone unnoticed. The following are nine graduation gift ideas.

- **Keepsake blanket:** A blanket featuring school colors that’s woven with photos or data about the graduate and graduating class makes a great keepsake.
- **Engraved compass:** Finding one’s new direction will take time, and a symbolic compass with inspirational words can help guide graduates on their future quests.

- **Jewelry:** Gift-givers may want to offer to pay for a school ring or can opt for different jewelry. For example, a necklace with the infinity symbol can represent infinite possibilities ahead. Those who collect charms for bracelets or necklaces can be gifted a graduation-themed charm.
- **Dorm room essentials:** Graduates going on to college will need a starter pack of essentials. A personalized tote bag filled with toiletries, linens and more will help graduates outfit their dorm rooms in style.
- **Inspirational art:** Graduates may want to revamp their bedrooms or decorate

new dorm rooms. Framed inspirational verses, sayings or images can make ideal gifts.

- **Blue-blocking eyeglasses:** Blue-blocking lenses protect eyes from the harsh

effects of blue light emitted from screens, a big benefit in an era when students and professionals spend ample time with their devices.

- **Meal subscription service:** In addition to gifting

a cooking appliance like a slow cooker or air fryer, giving grads a subscription to a meal delivery service may help them transition to life without mom’s cooking or the dining hall.

- **Streaming service:** Graduates can benefit from any number of streaming television and movie services to stay entertained while commuting or relaxing around the dorm with friends.
