

Bobcat®

Sooland Bobcat

The Bobcat® CT1025

packs a lot of power into a small frame size to efficiently mow and maintain your small acreage. This sub-compact, 25-hp diesel tractor is larger than lawn and garden tractors and includes a hydrostatic transmission, four-wheel drive and a Category 1 3-point hitch. It's easy to operate and the perfect solution for light-duty projects around your property.
