

Iowans to see \$2.7 billion for COVID relief

It's up to us to decide how to use it.

All of us have been hit hard by COVID-19 and the economic crisis that came with it. The American Rescue Plan will deliver immediate relief to Iowans and provide communities the resources we need. In Iowa, nearly \$3 billion will go to state and local governments to transform our communities...but only if we make it happen.

This opportunity builds a bridge to recovery and can provide support for our broadband, healthcare, public utilities, jobs, and investment in hard-hit small businesses, and more.

What does your community need? We want to hear from you!
