* The Clearfield CSD was dissolved at the end of the 2013-2014 school year. Complete data was not available for "Net Operating Costs", "# Students Transported", "Route Miles", or "Non-Route Miles". An estimated report was compiled for these fields based on an average of complete data from the prior five years of 2008-2009 thru 2012-2013.

NOTE: Several districts reported a larger number of students riding the buses than are enrolled in the school. This is accounted for due to transportation of open-enrolled students, additional students enrolling after the official count date, and non-public students.
