— At BoDeans —

We CONE-Not Party Enough,

Because We're 100% Employee Owned!

ESOP

Also known as the Employee Stock Ownership Plan means we are 100% employee owned!

All BoDeans Employees are now eligible for ESOP!

But how does that benefit you?!

- Ownership in the company
- All contributions to your ESOP are made by the company
- Discretionary 8.5% employer contribution at the end of the year
- Great diversifier for the 401(k) or traditional savings
- Increases likelihood for a successful retirement

401K

With our new 401K and company match plan if an employee contributes 10%, the company will match 6.5% for a total of 16.5%! Every pay check that 16.5% will be placed in your 401K account, which at BoDeans means Weekly!

At BoDeans you will be 100% vested from day 1! Also take advantage of our company paid retirement planning services.

Don't forget about our competitive pay, with pay increases after 60 days and annually thereafter; medical, dental & vision insurance; Amazing PTO plan with a perfect attendance benefit; paid holidays; AND you will get to wear super cool safety goggles and the latest in latex glove styles everyday!

With Fondest Memories

We remember those who have passed away and are especially dear to us.

On Memorial Day, Monday, May 27, The Sioux City Journal will publish a special section dedicated to those who are gone but not forgotten.

To remember your loved one in this special way, mail or bring in a photo, what you would like to say, and **$20.00** per listing to the Sioux City Journal.

Information must be received no later than WEDNESDAY, MAY 22, 2019.

Martha "Marti" Anderson
January 15, 1942
December 4, 2009

God saw you getting tired,
and a cure was not to be.
So, He put His arms around
you and whispered,
"Come to Me."

Love,
Your Family

Select one of the following tributes:

1. I have written my own message and it is included.
2. Your presence we miss, your memory we treasure, loving you always, forgetting you never.
3. When someone you love becomes a memory... that memory becomes a treasure.
4. Always on my mind, Forever in my heart.
5. We know you'd be with us today if Heaven wasn't so far away.
6. Those we love don't go away; they walk beside us every day. Unseen, unheard but always near still loved, still missed & very dear.
7. If tears could build a stairway and memories a lane, I'd walk right up to Heaven and bring you home again.
8. Your wings were ready but my heart was not.
9. You may be gone from my sight but you are never gone from my heart.
10. It's hard to forget someone who gave us so much to remember.
11. Those we love can never be more than a thought away…. For as long as there is a memory they live in our hearts to stay.
12. You left me beautiful memories your love is still my guide, and though we cannot see you, you're always at my side.
13. Sometimes you will never know the value of a moment until it becomes a memory.
14. Remembering you is easy I do it every day. Missing you is a heartache that never goes away.
15. Remember me in your heart and in your thoughts. The memories of the times we loved and of the time we shared. For if you always think of me, I will have never gone.

New Professional Career Opportunities at Wells

Sr. Manager of Organizational Development

(hiring for both Corporate & Operations)

Partner with functional leaders to drive creation, implementation and execution of strategies and plans that promote enhancing, improving and developing employee capability. The scope of the role includes leading, managing and delivering training and development-related projects, programs and processes which are aligned to functional business objectives that further enable the organization to meet or exceed established performance goals.

- Provide influential internal consulting, thought leadership and coaching to business leaders at all levels of the organization to improve performance and drive effective change.
- Partner with HR Business Partners and functional business unit leaders to identify needs and opportunities that support performance and strategy execution, including individual and group performance, processes and structure, defining measurable objectives to achieve through interventions.
- Lead OD project teams and manage projects and resources to ensure effective delivery and implementation of processes and interventions, to achieve defined objectives and customer expectations..
- Bachelor's Degree in Human Resource Development, Psychology, Business or related field required. Master's Degree in Organization Development, Training & Development, Industrial/Organizational Psychology or related field preferred. Certifications in assessments (Hogan, MBTI, Birkman and course facilitation/instruction desired.
- Minimum of 10 years of experience in Organizational Development or Training and Development, with 3-5 years of progressive leadership experience required.

Software Engineer

Analyze, design, develop, maintain and improve business processes and corresponding software applications to allow Wells Enterprises to function according to user needs for the assigned area.

- Technically lead efforts of small to moderately complex projects, providing guidance to other team members and internal customers. Prioritize in accordance with organizational needs, meeting specified time lines.
- Document application systems and procedures according to organizational needs. This includes test scripts, LDRP, maintenance, process, training, customer, etc., ensuring compliance with department standards and proper handoff to testing team.
- Bachelor's degree in an IT related discipline or related experience required.
- Progressive experience within a programming/development environment required.
- Operating Systems: Unix, Linux, Windows Server.
- Languages: SQL, PL/SQL, Oracle Developer, Java, HTML, XML, .Net (C# & VB), FactoryLink, Intellution, Wonderware, RSView
- Applications: Oracle Enterprise Applications, Lawson, Kronos, Prescient, MS Office Suite including MS Project & MS Visio.
- Databases: Oracle, MS SQL Server, MS-Access.

Sensory Scientist

Support Sensory Manager in delivering strategic Sensory Insights to Wells through management of Wells Sensory panels and sensory studies, statistical analysis and panel performance monitoring and report writing. Work with Sensory Technician in practical aspects of sample preparation and test execution.

- Manage the Descriptive Panel program, including line management supervision of panelists, panel expansion, leading training of panelists, planning of studies, study design and execution, relevant statistical analysis, interpretation and recommendations that guide business decisions and further research.
- Monitor the performance of the Descriptive Panelists to maintain high performance standards through annual re-screening, planned monitoring studies and provide retraining and panel expansion/refresh when necessary.
- Manage the Discrimination Panel program, including ensuring best practice in all testing, detailed statistical analysis, interpretation and recommendations that guide business decisions and further research.
- Bachelor's in Sensory Analysis or Food Science (Sensory Analysis element) required.
- May be a new graduate with practical experience in college or internship in conducting sensory tests, or have 1+ year's practical experience in sensory analysis role.
- Experience utilizing sensory and statistical software such as Compusense, XLstat, and SPSS preferred.
