ATTORNEY FOR DEFENDANT

I, Michael Williams, have reviewed this application for withdrawal and agree to the contents of the application. It is my desire to have Mr. Pittenger withdrawn from my case and have new attorney appointed. My letter to the Court is attached.

  
Defendant

june 19, 2015

My name is Michael Williams, I am writing you this letter today in hopes that I may be appointed a different public Defender. Currently I have Matt Pillinger from the juvenile law office representing me on case FF(RD)88386, Now he has told me that the day I am set to go to trial, that he will not be prepared to go to trial at that time.

The main reason he will not be ready for trial is because my family was supposed to be seeking private council, and that is what my family's working on now, but I have the feeling it is not going to happen that way.

I would like for my public Defender to withdraw from my case and have someone different appointed to me. Reasons being 1) he does not believe I am innocent, 2) he does not have my best interest in mind, 3) he is unprepared to go to trial for me, I am entitled to have effective council, and the P.D. I have now I feel is not pulling his weight. 4) I don't trust him I don't want to speak with him, I do not want him on my case at all. 5) he again has told me that he will not be ready for trial come July 7, 2015, so I hope you will at least set a court date for this so that I may be appointed effective Council.

Thank You for your time.
