

Happy With Your Hearing Aids? ... We Are!

Life is wonderful.

"Can't even explain how much better my life is! I am now, not afraid to go out and be around others, like I was before. I now own my own business again. Feel like I'm living my dream. Could not have done this chapter in my life without my hearing aid."

Barbara Sulzbach
Owner of Indigo Palette
Sioux City, SD

"I don't feel isolated in a room anymore. I can understand my grandchildren and that adds a lot of joy to my life!"

Sharen Stewart
Retired Beautician
Dakota Dunes, SD

"The hearing aids allow me to hear the sounds of nature. I had forgotten that the birds actually do sing. Going to the movies, concerts, and dining out is much more enjoyable with my hearing aids."

Doug Smith
Businessman
Sioux City, SD

"The hearing aids are comfortable to wear and allow me to communicate without difficulty. When I go out with friends, I can actually hear everything without missing a word."

Gloria Hirschman
Licensed Practical Nurse
Lawton, IA

"I do a lot of volunteering and it is important that I can hear. I hear so much better with these hearing aids, even in a crowd or at church."

Jean Neuroth
Retired Teacher
LeMars, IA

"I love the fact that I can now hear what my grandchildren are saying. I did not realize how much I was missing before I got hearing aids, or how hard it was for my family and friends to talk to me."

Steve Avery
Graphic Artist
Sioux City, SD

"I have only one ear that I can hear out of, so having a hearing aid that works is very important to me. The hearing aid allows me to visit with my friends and family. My family lives out of state and the hearing aid allows me to hear them well on the phone."
