

Since its inception in 1982, Siouxland Paramedics has brought many innovative changes and positive outcomes to emergency medicine in Siouxland. We are committed to providing exceptional, life-saving care.

Achieving Success Through Quality Care

- ▶ Siouxland Paramedics Inc. is the sole 911 ambulance provider for Sioux City, North Sioux City, and western Plymouth County.

Achieving Success In Caring For The Community

- ▶ Siouxland Paramedics has 45 full-time and part-time paramedics & EMTs.
- ▶ More than 10,000 patients each year are served by Siouxland Paramedics
- ▶ We provide 24-hour paramedic service 7 days a week

Achieving Success by Working Together

- ▶ Siouxland Paramedics and The Sioux City Fire Department work together to ensure that a First Responder is on the scene in four minutes and a Paramedic is on the scene in less than eight minutes.

Achieving Success Through Learning & Inspiring Through Teaching

- ▶ Siouxland Paramedics share their expertise by serving as preceptors and instructors for area EMT programs.
- ▶ We offer free Continuing Education classes monthly.
