

Tri-State Nursing

Caring

it's what we do best

The Midwest's leader in the medical staffing industry. Not just staffing anymore, Tri-State Nursing has expanded its services to almost every aspect of the medical industry.

Since the company started in 1993, Bridget Hoefling has made many changes to Tri-State Nursing. Every change has been with the goal of creating the highest quality care to all of our customers through education, customer service and safety.

Home Health Care

Professional, knowledge, experienced staff provide in home care tailored to each patient's specific needs.

Health Education

The Tri-State Nursing Learning Center provides monthly classes to fit everyone.

Temporary Medical Staffing

Occupational Health Services

"I'm Bridget Hoefling, President of Tri-State Nursing. As a nurse, business owner, wife and mother of four, I understand the needs of flexible employment to fit the ever-changing needs of work and home. My goal is to offer flexible employment at top pay. I want to meet the needs of my employees and their families. If you've never considered temporary agency employment, now is the time!"
-Bridget Hoefling, President and Owner
Tri-State Nursing Enterprises

Looking for a Career Change? The shortage of Health care professionals is having a BIG impact in the United States. We can not let our loved ones go without the care they deserve and need.

Tri-State Learning Center has new classes that are health care related.

- Become a Certified Nurse Assistant in 3 short weeks.
-Ave pay \$12.00 - \$16.00 per hour
- Pharmacy Technician Classes last 6 weeks
