

# World Class Care

When a small bump turned out to be cancer, Bill Stewart chose the June E. Nylen Cancer Center for chemotherapy and Trilogy radiation treatment – a “perfect” choice.

*“Everyone was knowledgeable and caring. We have a real gem with the Nylen Cancer Center. It takes a back seat to no one! When I go for check-ups, it feels like going home.”*

*– Bill Stewart, Sioux City*

*We believe in our patients.  
And patients – **like Bill** – believe in us!*
