Equal Opportunity Employer including Vets and Disabled

Refinery Technician

Starting Rate:
\$23.75/hr

Call us optimistic.

We believe the world eats better when we eat together. Starting from a single grain elevator in Iowa, our passion has always been to bring producers and consumers of food closer to one another.

The purpose of this position is to operate and maintain efficient refinery, bleaching, hydrogenation, deodorizer, utility, and wastewater processes. Troubleshoot process, equipment and/or programming issues or failures.

Requirements:

- High school diploma or equivalent.
- Able to read/comprehend English.
- Able to work overtime, holidays, nights, weekends or different shifts.
- Able to perform physical job duties including bending/stooping, climbing ladders, open/close valves, and work in confined spaces.
- Able to operate heavy equipment and machinery.

Accountabilities:

- The refinery Technician will be expected to learn, understand and assist in troubleshooting of all refinery operations.
- Able to prioritize tasks and follow-up skills.
- Verify operational performance by reviewing the Lab Technician analytical testing results associated with the assigned processes; interpret the data, make process changes if necessary, and communicate as needed.
- Responsible for ensuring the equipment is fully operational and in good repair.

Perform minor maintenance on equipment and report maintenance issues.

- Maintain the sanitation of the refinery in order to meet quality and food safety standards.
- Refinery Technicians are expected to know the process well enough to distinguish between problems that require immediate attention and those that can wait until more resources are available.

Benefits include:

- Dental Insurance
- Medical Insurance
- Vision Insurance
- Work/Life Solutions (EAP)
- 401K
- Life Insurance
- Paid Holidays and Vacation
- Tuition Reimbursement

Position open until filled
