On behalf of the congregation of First Baptist Church Somerset, we want to extend a heartfelt thank you to the readers of the Commonwealth Journal for voting First Baptist Church

## “2026 Best Place to Worship”

We are incredibly grateful for the opportunity to serve Somerset and Pulaski County and to share the hope of Jesus with our community and beyond. For more than 220 years, First Baptist Church has been part of this community, and we are thankful for every person and family who has been part of that story.

This recognition is an honor, but our greatest privilege is continuing to love people, serve our community, and make Jesus known.

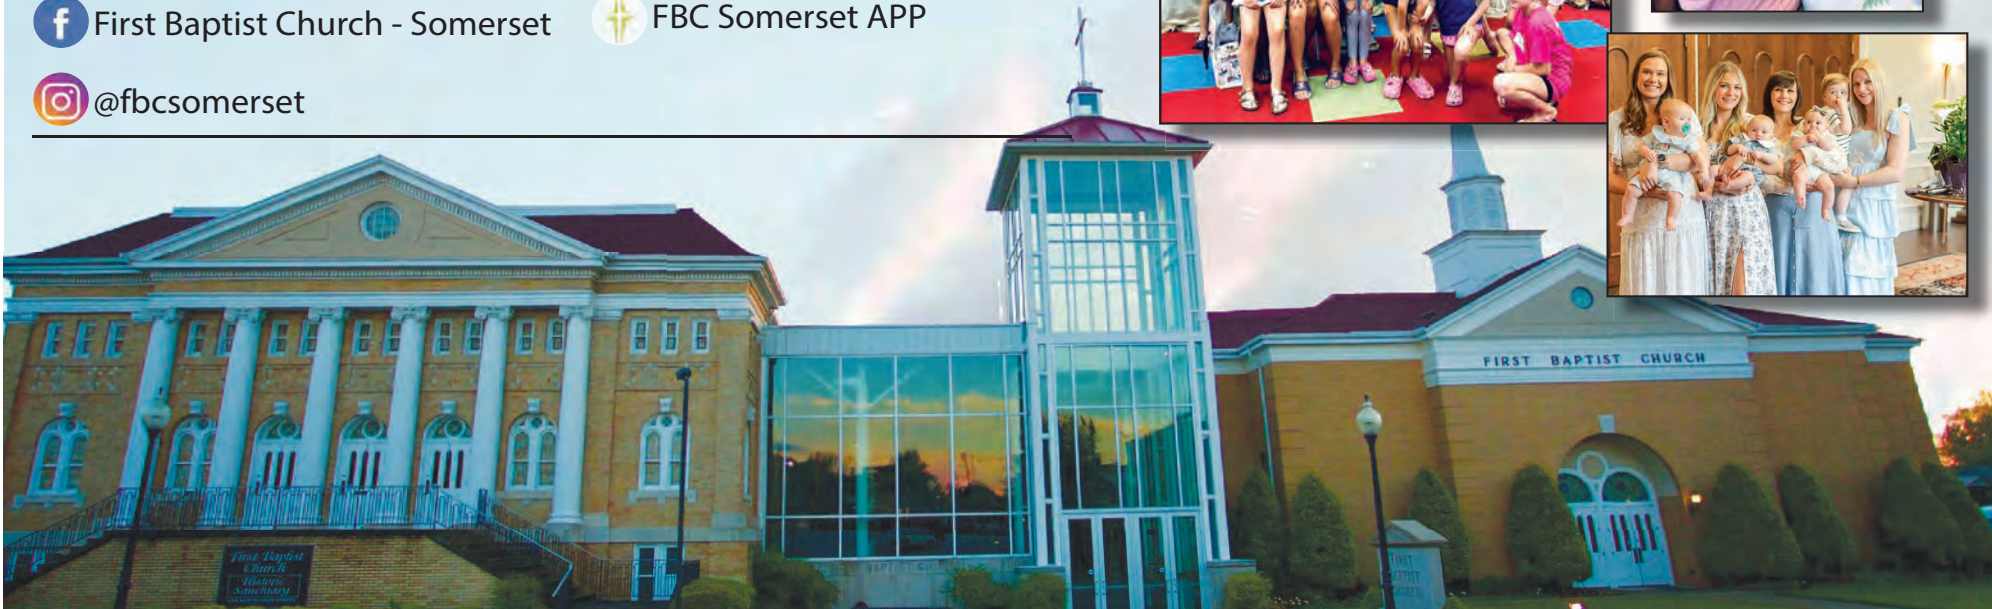

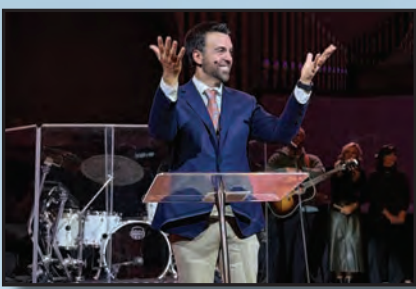

If you do not have a church home, we would love to invite you and your family to join us for worship. There is a place for you at First Baptist Church Somerset.”

Sincerely,  
Pastor Ryan Coffey

**Worship Times:** Sunday’s 9:00 am and 11:00 am  
Wednesday’s at 6:00 pm

# Thank You, Pulaski County!

We are deeply honored and incredibly grateful to be voted Best Child Care Center in Pulaski County and recognized by the community we have been privileged to serve for 54 years.

For more than five decades, we have had the blessing of growing alongside the families of Somerset and Pulaski County. This recognition means so much to us because it comes from the very community that has trusted us with what matters most—their children.

We love what we do, and we love the families who have become a part of ours. Our goal has always been to create a warm, family-centered environment where children feel loved, encouraged, safe, and inspired to learn. Every day, we strive to weave academic excellence into purposeful, age-appropriate activities while nurturing the whole child.

To our families—past and present—thank you for trusting us, supporting us, and allowing us to share in so many precious moments throughout the years. To our incredible staff, thank you for the love, dedication, and heart you bring to your work each and every day. And to the Pulaski County community, thank you for continuing to encourage and support us.

It is a privilege to serve this community and to fulfill the purpose God has given us. Fifty-four years of “living life” alongside you has given us more blessings than we could ever count. We are grateful for every child who has walked through our doors, every family who has entrusted us with their little ones, and every day we have the opportunity to make a difference.

We know that God has blessed us abundantly, and we are humbled to receive this honor.

From our family to yours, thank you, Pulaski County, for 54 wonderful years—and for allowing us to continue loving, learning, growing, and making memories with the most wonderful children and families.

With grateful hearts,  
Thank you for voting us Best Child Care Center!
