TABER MUSEUM ISSUES ITS 2026 Annual Collectors' Baseball Pin

The Thomas T. Taber Museum of the Lycoming County Historical Society has recently released its Annual Collectors' Baseball Pin which features a depiction of Lady Justice created by dph Custom Pins. **Lady Justice** is a famous symbolic figure representing the fair and equal application of the law, recognized by her core items: the scales, the sword, and the blindfold. **The Scales:** Represent the weighing of evidence, competing claims, and facts to reach a fair decision. **The Sword:** Stands for authority, finality, and the power of the law to enforce order or punish wrongdoing. **The Blindfold:** Symbolizes impartiality and objectivity, showing that justice is administered without fear, favor, bias, or regard for wealth and power.

The limited edition pins are available for purchase for \$6.00 each, with appropriate sales tax added. The pins may be purchased at our museum store or on our website.

The pin is the eleventh pin produced by the museum. Others have included a lumberjack (2016), a high-wheeled bicycle (2017), a train's engine (2018), the 'haunted' portrait of Nellie Tallman (2019), an Indian motorcycle (2020), John Hazel's Cornet (2021), a railroad handcart (2022), and L.L. Stearns Department Store Bell. Of those, only 2019, 2021, 2022 and 2023 are still available. They also sell for \$6.00 plus tax. The museum is located at 858 West Fourth Street, Williamsport. It is open for touring Tuesday through Friday, 9:30am until 4pm; Saturday, 11:00am-4:00pm; and Sunday, 1:00pm-4:00pm. The Sunday hours remain in place through the end of October. The museum is closed on Sundays from November through April. For further information please call **570.326.3326** or visit our website at **www.tabermuseum.org**.
