

*It is good . . .
that we take time to ponder on all that is good in life,
that we set aside a day to give our thanks, and
that most of us are able to observe that day with family.
But for those families whose circles have been broken by
death, we want to offer our thoughts and encouragement
For it is fitting that we remember them –*

It is good . . .

Died November 17, 2024

James Watts, Sr.

Born March 1, 1938

Died November 29, 2024

*As families gather this Thanksgiving,
we would like to express our appreciation
to all who have entrusted us
with their confidence and friendship.*
