WINNERS

BEST HOSPITAL

Ashtabula County Medical Center

We're honored to be *your* choice.

Ashtabula County Medical Center. 2019 Star Beacon Readers' Choice.

ACMC received a lot of recognition this year.

- **For 115 years of caring for our communities**
- **An "A" for hospital safety** from The Leapfrog Group for two consecutive rating periods
- **A Top Workplace** in northeast Ohio for the ninth consecutive year
- **A Gold Level Healthy Worksite**

None of those recognitions means as much as being recognized by you — the patients we have the privilege to care for — as the 2019 Star Beacon Readers' Choice.

The need for high-quality care in Ashtabula County is as strong today as it was in 1904 when community members came together to build a hospital after the Great Train Disaster. Our commitment to our patients and our communities is also as strong today as it was so many years ago.

No one matters more to us than the people we serve. And nothing means more to us than being *your* choice for healthcare in Ashtabula County.
