Thank You for Selecting the Readers' Choice Winners.

Readers,

I am pleased to bring to you the 2016 Star Beacon Readers' Choice winners. The award winning businesses within these pages have been chosen by you, our loyal readers, as the best of the best in their categories. It is our honor to bring the results to you today.

We made a few changes this year with the largest being the online nominations and voting. We are very pleased to say that the participation was nearly identical from last year and were able to tabulate the results and notify the winners in a much more timely manner. The recognition of these businesses and the continued relevance of the Star Beacon would not be possible without your interest and support.

On behalf of the winners and the entire staff of the Star Beacon, I thank you for your participation and support. Both are truly appreciated by everyone involved.

Sincerely,

Jamie Beacom

Dr. Michael Skufca has been providing family-focused general dental care in Ashtabula County for over 30 years. A graduate of Case Western Reserve University School of Dental Medicine, Dr. Skufca is a former Cleveland resident who has made his home and raised his family in Monroe Township. His two offices, one in Conneaut and the other in the Ashtabula Harbor, have relaxed, comfortable atmospheres where the goal is to provide gentle, caring dentistry that is designed to meet each individual patient's needs. Preventive care, such as cleanings and exams, as well as restorative procedures like fillings, crowns, bridges, and full and partial dentures, as well as extractions are offered. Both offices pride themselves on providing treatment options and education that are tailored to each individual patient's needs. Free consultations are provided.

Dr. Skufca is proud to be chosen as a Star Beacon Reader's Choice winner and appreciative of those who nominated him.

New patients are currently being accepted at both offices.

SANTA NEEDS
OUR HELP!

We want to thank all of our community supporters that have helped with all of Asa's Angels of Hopes drives! We take a certain percentage of each home sale and put it toward Asa's Angel drives to help children in need. Because of all the community's help this year we were able to make 1400+ Easter baskets, 2000+ children's school supplies, feed 600+ Thanksgiving dinner, and we are on our way to hopefully hit our goal of 8500 Christmas gifts. Last year we hit our goal of 8000 with a total of 8107 gifts for children in need. Thank you to all who helped us throughout the community. There will be a whole lot of children in need with smiles on their faces Christmas morning.

THANK YOU!
