# Welcome to Ashtabula County's **Lights on the Lake** "Largest Holiday Light Display On Lake Erie"

Ashtabula County's Lights on the Lake Committee is pleased and excited to present you with the 2019 festival of lights, sights and memorable beauty at Lake Shore Park. In its 14th year, the event has become a family tradition for many families. The committee works all year long to expand and improve the festival.

As in the years past you will be greeted by friendly committee members and volunteers who again this year will be distributing goody bags to the first 3,000 visitors. These bags contain information about Ashtabula County, area businesses, along with some valuable coupons which can be used at some of these businesses.

The committee thanks everyone involved for helping in any way, whether it is sponsoring a display, donating money, volunteering time and energy, or helping to promote the event. If you're interested in being a part of this exciting event please do not hesitate to contact us. We always need help to grow and expand.

Ashtabula County's Lights on the Lake is a non-profit, tax exempt, 501(c)(3) corporation and its committee members all volunteer their time to make this festival of lights an exciting experience for the entire family. Funds generated are used to build and improve the festival. A portion of this year's proceeds will go to an Ashtabula County 501(c)(3) non-profit organization. Last year's donations were made to Ashtabula Downtown Development Association and Lift Bridge Community Association.

Enjoy the event, and may it bring smiles of joy to you and your family!

# Make LIGHTS ON THE LAKE

## A Holiday Tradition

Now synonymous with the holiday season, Ashtabula County's Lights on the Lake is a treasured family tradition at Lake Shore Park.

Commemorating its fourteenth year, the Lights on the Lake Committee celebrates the season in 2019 with additions to its beloved scenes and many displays.

"If you came to Lights on the Lake a few years ago, come back," said Rick Coblitz, President for the Lights on the Lake Committee. "We've added new displays and a synchronized area with music."

Just five days to go until the Yuletide switch-on event at Lake Shore Park. The lights illuminate at 6 p.m. Friday and will continue to twinkle from 6 to 9 p.m. every Friday, Saturday and Sunday following Thanksgiving through the end of the year. The lights schedule is slightly different this year because of the timing of the holidays, so there will be limited hours on Christmas Eve, Christmas. We will be open but with limited hours (6-8 p.m.).

The Lights on the Lake Committee worked hard to create another unforgettable holiday memory for visitors. The drive-through light display along Lake Erie features a Wizard of Oz display, toys, elves, Santa, candy canes, poinsettias, dinosaurs, snowmen, a nativity scene and more.

The committee is a nonprofit group consisting of 10 volunteers: Rick Coblitz, president; Bud Hill, vice president; Christine Seuffert, secretary; Gail Millard, treasurer; John

Steel, project coordinator; committee members, Mike Brennanman, Dr. Alfred DeCato, Steve Howell, Kathy Presciano and Brian Van Allen.

Several of the displays also originated right here in northeast Ohio. For example, the covered bridge, the fishing boat, the historic Ashtabula harbor lift bridge and the flying saucer, which is reminiscent of the flying saucer gas station that once stood at Five Points, all bring a hometown feeling to the festive show.

As spectators ride through Lights on the Lake, they will see the 25-foot-tall Christmas tree with a shiny star on top. They can tune their vehicle's radio to 100.1-FM to hear holiday music as they enjoy the beauty of thousands of colorful, twinkling lights on the park's bountiful evergreens and rolling hills.

The Lights on the Lake Committee worked hard to expand the attraction throughout the 14 years, and yet, maintain the event's original price: \$5 per carload. If you buy your ticket ahead of time, you are entered into a drawing for \$500 when you come through the park.

"The displays are designed so every year we can add on," DeCato said. "I especially like the LED-lit Christmas tree."

All the displays are LED in an effort to go green," Coblitz said. "Last year people were really impressed with the 'pop' of the LEDs."

There are about 80 displays throughout the park — something for

all ages. Last year, the most popular display was the waterfall.

It takes 30 volunteers about five weekends to set up all the displays.

"Some displays are as big as a truck," Coblitz said.

Ashtabula County's Lights on the Lake has several events and activities planned for the 2019 season and the committee encourages area residents to participate, especially in their "Help Your Neighbor Night," set for Dec. 13, 14 and 15. The committee will be collecting non-perishable food items to be distributed to Ashtabula County food pantries. Bring canned goods to Lake Shore Park.

Last year's donations were made to Ashtabula Downtown Development Assoc. and Lift Bridge Community Assoc. This year part of the proceeds will again be to some local 501(c)(3) organizations.

For updated information on Lights on the Lake's events, go to the attraction's updated Web site: [www.acloftl.com](http://www.acloftl.com).

■ Lonely Oak Wagon Rides will offer horse-drawn wagon rides. Dec. 6, 7, 13, 14, 20, and 21 from Nicky's Bar 2099 State Rd Rides leave at: 6:00, 7:00, and 8:00. Tickets can be purchased from Nicky's Bar on a first-come, first-serve basis. These rides sell out quickly so get your tickets soon. Call 440-998-6506 with questions. \$5/person, kids under 5 Free.

# **EVENTS AND ACTIVITIES**

The Largest Holiday Light Display On lake Erie has several events and activities planned for the 2019 season and we encourage you to participate, especially in our "Help Your Neighbor Night" program.

Christmas is a time for giving, and lending a hand to those who may be having a hard time making ends meet. Ashtabula County's Lights on the Lake is designating December 13, 14, and 15 as "Help Your Neighbor Night" and will be collecting non-perishable food those evenings. The food items collected will then be distributed to Ashtabula County Food Pantries. You can help out by bringing non-perishable food goods to Lakeshore Park. Hand them to our Gate Workers and we'll do the rest. Please give us a hand so that people will not have to go hungry in the days ahead. Thank you for your help.

Santa Claus will be at Lakeshore Park during Lights on the Lake hours on Nov. 29, Dec. 6, 13 and 20.

**Dec. 6, 8, 13, 14, 20, and 21st Lonely  
Oak Wagon Rides** will offer horse-drawn  
wagon rides. Wagons will be available at  
**Nicky's Bar on State Rd.**

Wagon times are 6p.m., 7p.m., and  
8p.m. Tickets can be  
purchased from Nicky's Bar on a first-  
come, first-serve basis. \$5/person kids  
under 5 Free. These rides sell out quickly  
so get your tickets soon.
