Welcome to 45 Burrington Hts., Conneaut

This beautiful Brick Ranch home is located along the shores of Lake Erie on a desirable lot in Conneaut Ohio. Situated on a private street overlooking Lake Erie, this 3 bedroom 1 and a half bath home has been nicely updated while maintaining all the charm and character of homes from this era. Updates include NEW: roof, doors, windows, light fixtures, flooring, electrical, and plumbing. The completely remodeled kitchen features new cabinetry, countertops, LV flooring and fantastic views of Lake Erie. Both bathrooms have been updated as well with all new fixtures, a stylish new vanity and LV flooring. With original hardwood floors and coved ceilings throughout the living room and hallway, this home creates the perfect blend of charm and modern convenience. Well-built with double brick 2x6 construction, this is not a typical brick-built home. It has been insulated between both layers of brick as well as throughout the attic making it very cost effective to heat/cool along with reducing noise and creating a sturdy structure to withstand weather. The attic fan cools the whole house down nicely and eliminates the need for AC. In the breezeway you'll find a nice blend of updated flooring, original built in shelving and a gas fireplace. The fireplace chimney is lined and able to be converted back to wood burning if the home owner desires. The 1(+) car garage has a woodburning heat source, cement floor and plenty of storage. This garage also has 220 outside power for an RV hook up. The backyard overlooking the lake has plenty of space for entertaining along with an assortment of fragrant landscaping. Enjoy the lake breeze with French Lilacs, apple trees, and rose bushes. The cement patio once surrounded an inground swimming pool. All of the hardware is still intact as well as the cement structure. This could also be converted back to create your very own relaxing oasis on the lake. Don't miss out on this one! Schedule your appointment today and move right in!
