

Care for All Stages of Life

SRMC Physicians Clinic

JAMES POPOVICH, MD

"I believe in patient-centered care where there is a heavy emphasis on giving patients back their voice. I'm here to give them facts and try to guide them in the best way possible."

MICHAEL MATTHEWS, MD

"I believe in holistic care and treating patients as individuals. My goal since I became a doctor in 1989 is to provide the best medical care possible for the people in our region."

BECKY CLOUSE, MSN, APRN, FNP-C

"I enjoy educating patients about their health, being able to help them care for themselves, and ultimately helping them feel healthier. I genuinely try to help my patients any way I can."
