

Exceptional Healthcare.

Our focus is you!

Patient and Staff Wellness is Our Priority

To protect our patients and staff we are screening patients and visitors at all Regional West healthcare locations.

If you are seeking care and have a fever, sore throat, cough or shortness of breath, or have traveled outside of the Nebraska panhandle, areas of high-risk for COVID-19 as well as if you have had contact with a person known to be infected with COVID-19 you will be **required to put on a mask before entering the facility.**

Patients may be accompanied by up to two caregivers or family members following the restrictions.

Medical Center Visitor Restrictions

Visiting Hours 7 a.m. to 6 p.m.

Two Visitors Per Patient

- People with a fever, cough, sore throat or other flu like symptoms are not permitted to visit.
- People who have traveled outside of the Nebraska panhandle, areas of high-risk for COVID-19 as well as if you have had contact with a person known to be infected with COVID-19 will be required to put on a mask before entering.
- People 18 and under are not permitted to visit.

- As a healthy visitor, please follow these recommendations:
 - Wash your hands with soap and water or alcohol based hand rub before and after your visit.
 - Cover your sneeze or cough with your elbow or a tissue.

Information is being updated frequently, please check the Regional West website and Facebook page for current restrictions as well as support group updates.
