"SONG SUNG BLUE"

2025 • PG-13 • 2 HOURS 12 MINUTES

Mike and Claire Sardina, a Milwaukee husband-and-wife duo who perform as Lightning and Thunder, a Neil Diamond tribute act. The film traces their rise from down-on-their-luck musicians to a beloved tribute band, highlighting both their soaring professional success and the devastating personal struggles that test their relationship. At its heart, it's a story about love, resilience, and the power of music to carry people through even the hardest chapters of life.
