

# Care for All Stages of Life

## SRMC Physicians Clinic

### REBECCA ALLARD, MD

*"I enjoy taking care of the whole family and love interacting with everyone from the babies I deliver to the grandparents. I want to give people the time they deserve in each and every visit."*

### MJ TAYLOR, PA-C

*"I believe in building strong, trusting relationships and collaborating closely with each patient to create personalized plans to help them meet their goals. I like to emphasize education and shared decision-making, while also implementing preventive care."*
