

Order of the County Judge

Any person who is sick or currently experiencing common COVID-19 symptoms, including fever, cough, or shortness of breath, is hereby ordered to stay home until such time that¹:

- (a) he or she has had no fever for at least 72 hours without the use of medicine that reduces fevers; and
- (b) his or her other symptoms have improved (for example, when the cough or shortness of breath has improved); and
- (c) at least 14 days have passed since the symptoms first appeared.

This order does not prohibit any person from leaving his or her home to seek necessary medical or emergency care.

If any person in a household has tested positive for COVID-19, all persons in the household are hereby ordered to stay home. Members of the household may not travel to work, school, or any other community function until cleared by a medical professional. This order does not prohibit any person from leaving his or her home to seek necessary medical or emergency care.

All persons in Collin County are hereby ordered to stay home, except for travel related to essential activities. Entertainment activities are not considered essential activities.

SECTION 3. Protecting the physical health and well-being of persons at higher risk for severe illness.

Persons at higher risk for severe illness have a responsibility to take actions necessary to protect their own personal physical health and well-being and to mitigate their own risk and potential exposure to COVID-19. Any person who believes he or she is at higher risk for severe illness and who believes he or she may be compromised from exposure to COVID-19 is hereby ordered to stay home as long as this order remains in place or until the person determines he or she is no longer at higher risk for severe illness. This order does not prohibit any person from leaving his or her home to seek necessary medical or emergency care.

COVID-19 is a new disease, and there is limited information regarding risk factors for severe disease. Based upon available information to date, those at higher risk for severe illness from COVID-19 include²:

¹ Centers for Disease Control and Prevention, <https://www.cdc.gov/coronavirus/2019-ncov/if-you-are-sick/steps-when-sick.html>

² Centers for Disease Control and Prevention, <https://www.cdc.gov/coronavirus/2019-ncov/specific-groups/high-risk-complications.html>
