

Dear Families,

Your child is invited to help design a new **Kids Kingdom Playground at Pecan Grove Park**. This is a special playground for the community that can be designed and used by all of our children.

A designer from Play by Design, a company that helps communities build their own playgrounds, will be in Rowlett on Friday morning **January 16, 2015** talking to students at their schools (K-5) about their ideas. At 6:00pm that evening we will be hosting a celebration and unveil the children's conceptual design at the Rowlett Community Center. The children will be the inspiration and true designers of our new Kids Kingdom, so we encourage them to use their imaginations; from trains, planes and automobiles to ships and buildings. Please have them use the reverse sheet for their drawings and **return their drawings to the school by Monday, January 12, 2015.**

You can also help contribute to this important community project by bringing your family to join the celebration as we unveil the Rowlett Kids Kingdom design at the Rowlett Community Center on Friday, January 16, 2015 at 6:00pm. At the celebration we will also discuss the next steps to building the park. We will begin fundraising and recruiting volunteers. This is a community project that will require a sweat equity but will be a rewarding and fun experience.

For more information or to join the email list and receive Playground news, please send your contact information to **KidsKingdom@rowlett.com**. You can also visit our website at **www.rowlettx.gov/parksandrec**, or like our Facebook page **www.facebook.com/rowlettkidskingdom**.

Rowlett Kids Kingdom Rebuild Celebration
Friday, January 16, 2015 6:00pm
Rowlett Community Centre
5300 Main Street Rowlett, TX 75088
