Dear Mr. Desrosiers:

In accordance with AY2AX000007, Investor Catalyst, Article 2: Term, paragraph C., Termination Provision, this letter provides formal written notice of the Government's intent to terminate the agreement, AY2AX000007, in large part or in full.

At this time, VW shall stop work on Tasks 1-5 and take all necessary steps to wind down activities in an orderly manner. The Government will compensate VW for allowable and properly incurred costs up to the effective termination date, subject to the terms of the Agreement and receipt of appropriate documentation. A follow-on notice, with additional information, will be forthcoming no later than 20 February 2026. The Government will request a termination settlement proposal from VW once the scope of the termination is decided. Please continue Task 6 work in support of Sprint for Women's Health (SWH).

Please direct any questions regarding this termination to the undersigned.

Sincerely,

**Steven B. Piggott**
