

# LIFE WITHOUT LIMITS

Dr. Alan Stewart - Knee Replacement

Life is all about movement. And when you feel pain or weakness in your muscles and joints, your movements are limited. Whether you are working in your garden, running after your grandchildren, playing golf with the guys, or simply walking up the stairs to your home, you should be able to do all these things without pain. Good Samaritan offers the latest state-of-the-art techniques and technology for all of your orthopedic needs. Our physicians have more than 50 combined years of experience and expertise, to help you get back to living your life again, pain free. Because when you can once again do the things you love, life is limitless.
