# Have You Downloaded Our New Mobile App?

**Download The  
News-Telegraph  
Mobile News  
App Today!**

The new mobile app is available in the App Store and on Google Play that features the enhanced E-edition of the print edition and a new Live News feed.

**Other features include....**

An easy-to-use interface where readers can manage their user accounts and easily purchase print and digital subscriptions, a day pass or fund a digital wallet using either their credit card or a new Amazon Pay button.

Enhanced E-edition display, readability, and functionality, with multiple views and reading formats, an E-edition archive, text-to-speech narration, translation into multiple languages, and an Accessibility mode that provides larger text and other features.

Mobile alerts and notifications for items such as breaking news and when a new E-edition has been published and is available for viewing.

If you need help adding it to your device, we will be glad to help with that in the office. It doesn't matter if you're an active subscriber, inactive, or checking us out for the first time. We know you'll enjoy all the features and benefits of having the N-T mobile news app on your device to keep up with all the local happenings while you're on the go!
