March 16, 2026

Comanche County Clerk
Comanche County Courthouse
Lawton, Oklahoma

Dear Carrie Tubbs,

Please accept this letter as my formal resignation from the **Comanche County Excise Board** and the **Comanche County Equalization Board, effective March 16, 2026.**

This resignation is submitted in accordance with **Title 68 of the Oklahoma Statutes**, which provides that members of a County Board of Equalization may not file for any elected office of the state, county, school district, or municipal subdivision without first resigning from the Board. I intend to file as a candidate for **Comanche County Assessor** during the upcoming filing period in April, and I am resigning in advance to ensure full statutory compliance and to uphold the integrity of these boards.

Serving Comanche County has been a privilege, and my decision to resign is guided by a continued commitment to ethical public service, transparency, and respect for the law. My goal remains to serve the citizens of this county in a manner that strengthens public trust and promotes fairness and accountability in county government.

I am grateful for the opportunity to have served on the Excise and Equalization Boards and for the professionalism of my fellow board members and county staff. Please advise if any additional documentation or action is required to complete this resignation.

Respectfully,

Brent Easton
