

Important takeaways from workshop:

- Expanded friendship lodge for gathering space
- Larger parade ground area
- New industrial arts building
- ADA Access (including some ADA and platform camping)
- Create 'Walk of Eagles' with some type of entrance arch or monument
- Renovate lake, allows for opportunity to earn water related Scout Badges
- Space for 'Order of the Arrow'
- Restore upper campfire bowl
- Turn-around areas for busses and additional parking
- Quad style layout for dorms to create more of a campus feel
- Some combination of staff housing split between central campus and further away
- Expanded copes course (with equipment storage) and more active exercise options for all ages
- Possibility for guest housing yurts & cabins
- Mountain bike trails around campus
