Dr. Breanna Batey and our team at Health First Chiropractic Clinic are grateful and honored to be voted Tahlequah's Best Chiropractor. It is truly a privilege to serve the people of this community. We believe that chiropractic care is for everyone, no matter the age. Dr. Breanna Batey continues to provide excellent healthcare for every person, from newborn babies to patients of the ripe age of 101. She treats a variety of health conditions that most would not consider chiropractic as an option. To better assist our current patients and future patients Dr. Batey has added two new chiropractors to our team. After searching far and wide she found Dr. Seth Moore and Dr. Tamarie Eller, who both focus on family wellness. Dr. Moore is a citizen of Cherokee Nation and specializes in sport injuries and auto accidents. Dr. Eller specializes in a light and low force technique with activator emphasis to provide a more gentle adjustment. All of the doctors at our facility go above and beyond to deliver the finest care to their patients. Together the chiropractors of Health First Chiropractic Clinic can aid you and your family in eliminating discomfort and improving health.

I would like to humbly thank the readers of *Tahlequah Daily Press* for voting me, **Judy Parrott**, the **Best Teacher of Art/Music** in the 2019 Best of the Best in Cherokee County Reader's Choice Survey. I cannot tell you how much this honor means to me. I have played piano since I was 5 years old and now am blessed with the opportunity to share my knowledge with others. I take students from 5 to ??? Lessons are in my home in a very casual setting. I currently have openings on Tuesday and Thursday, and am willing to teach evening hours up to 7 p.m. for adults who work, or for the kids after school and activities.

Thank you again for his wonderful honor. Contact me at (918) 781-9621 if you are interested in private piano lessons.

Music is what feelings sound like
