The Honorable MaryAlice Wallis
Mayor of the City of Longview

Longview, WA 98632

CLERK OF THE BOARD

Kelly Dombrowsky

Dear Mayor Wallis:

The Board of County Commissioners has directed me by majority vote to inform you and the City Council that we will not be considering the City's request for document-recording fee funding of the Hope Village pilot project for the chronically homeless. Commissioner Richard Dahl commented that "It is such a flawed concept that it would be a waste of our time to even consider it." Commissioner Arne Mortensen concurred.

I do want to point out that under our current Public Comment practices anyone can approach the Board during the Public Comment portion of any of our public meetings to discuss issues they wish to present.

Sincerely,

Dennis Weber, Chair
