RE; Retirement from the City of Longview (Police Department)

I am officially announcing my retirement effective August 13th 2020. I will have served the city and citizens of Longview for 42 years. It has been an amazing journey and career and I thank the City of Longview for this opportunity. This career path was the only thing I wanted since a young age and being the Chief of Police for the past 9 years is the highlight of my service.

I have been blessed working with the finest men and women in law enforcement and I know they will continue to carry on the honor, professionalism, tradition and pride of this department. The support this department and I have received from citizens, the city manager, department heads, and council has truly been amazing. It will be something I will never forget.

I honestly don't know what it will be like to not wear a badge for the City of Longview but that will be a part of this new journey my wife Kim and I will soon be on.

Respectfully,
