Our Mission: *To provide quality, year round recreational activities, facilities, and services that are safe, fun, and enhance the quality of life for all.*

RETURN TO PLAY PRACTICE AND GAME GUIDELINES

As we prepare to return to sports this fall, we need your help in making this a healthy and successful season. Below you will find guidelines that will help pave the way for our participants, coaches, parents, and spectators to return to sports this fall in a safe environment. These guidelines could change from day to day and we will update these guidelines as we receive new information from our local and state government agencies. Please contact our office for questions regarding these guidelines.

Parents/Spectators

- We ask that you NOT visit our facilities if you:
 - Are running a fever
 - Have developed symptoms of an illness
 - Have had close contact with someone who has the virus
 - Or a member of your household is awaiting test results for COVID-19.
- We ask that if you test positive for COVID-19 that you not return to our facility until you have been fever free for 72 hours without fever-reducing medicine and are no longer displaying symptoms AND at least 10 days have passed since symptoms first appeared.
- We encourage no more than one parent per participant at scheduled practices.
- We encourage parents not to drop off and leave participants unattended.
- We encourage social distancing of at least six feet. Bleachers will not be available at the fields. Please bring your own chair to space out an appropriate distance from others.
- We encourage the wearing of mask (or other PPE's) at practices and games.
- We encourage the use of hand sanitizers and other disinfectant wipes/products.

Participants/Coaches

- We ask that you NOT attend practices or games if you:
 - Are running a fever
 - Have developed symptoms of an illness
 - Have had close contact with someone who has the virus
 - Or a member of your household is awaiting test results for COVID-19.
- We ask that if you test positive for COVID-19 that you do not return to our facility until you have been fever free for 72 hours without fever-reducing medicine and are no longer displaying symptoms AND at least 10 days have passed since symptoms first appeared.
- We ask that you please contact the office if you test positive for COVID-19 so we can communicate clearly with other teams in our league to keep all participants/coaches safe and informed of any changes.
- We will provide infrared thermometers to each coach. Coaches will be asked to take temperatures of players and coaches prior to each practice and game. Protocols regarding temperature checks will be provided to coaches.
- We encourage all coaches to wear masks at practices and games.
- If they choose to do so, all participants are allowed to wear masks during practices and games.
- We encourage the use of hand sanitizers and other disinfectant wipes/products.
- We encourage the cleaning of personal sports equipment prior to practices and games.
- The sharing of personal sports equipment during practices and games will be **PROHIBITED**.
- Avoid physical contact like high fives, handshakes, fist bumps, and hugs. Post-game high fives will be **PROHIBITED**.
- Participants are encouraged to bring their own water bottle/sports drink to practices and games.
