Dear Santa,
You're a really good person. You're the reason children get so excited on Christmas. Everyone loves you! For Christmas, I would love some new clothes, shoes, Oakleys, airpods, and some more cool things for gaming. I hope you bring me all this because I need it. I only have a couple of shoes that fit, and I want some more clothes to look cool. I also want some Oakleys because they help keep the sun out of my eyes. The reason I want airpods, is because I want to listen to stuff on my own without it being at full volume where everyone can hear it. I've been getting good grades in school this year, and not getting in trouble that much. Yes, sometimes I get a little carried away, and I do stuff I'm not supposed to. But, I've been getting much better at that. I've also been helping my parents with work, whether it's cleaning the house, making my bed, helping them move stuff around, all kinds of things! If you stop by my house, there will be extra cookies and milk, waiting for you on the kitchen counter. There might even be some Food for your reindeer! In conclusion, I really hope you bring me all this stuff. Even if you can't, I will still be very grateful! Sincerely,
Aiden T.

Dear Santa,
I would like a new phone, clothes, nails, skin care, makeup, and baby food like puffs or banana bars for babies. You should bring me this stuff because I have been very good this year and in school. Also, I most of the time do what my mom tells me to. By the way, you are really good at sneaking around my house because I can never catch you or see you so, good job on that. I help my mom by taking care of my dog. Also I personally love your holiday spirit. I can give you milk, cookies, and carrots if you want ps the carrots are for your reindeer because they work hard to. In conclusion I really hope you can get me the stuff I want so you can pick up your milk, cookies, and carrots for your reindeer.
Love,
Baylee

Dear Santa,
I would like a new dirt bike, new Xbox, new shoes, and a side by side for Christmas. You have a fluffy beard. You should bring the stuff because I have been doing the dishes, and I do as much as I can for my brother. I have been getting good grades, I have been good to my brother, and I do my chores. And if you come I will give you more milk and cookies. I have got all A's and B's all year. I hope you bring it to me because I have never had a dirt bike. In conclusion I really hope you can bring me the stuff because I have been good all year.
