

PUBLIC NOTICE

A Permit Renewal Application is anticipated to be submitted in January 2026 by Shawville Power, LLC to the Pennsylvania Department of Environmental Protection (PADEP), Northcentral Regional Office, in accordance with Pennsylvania Code 25 PA Code §287.223 of the existing Residual Waste Permit No. 301179 for the Shawville Ash Disposal Site located at 250 Power Plant Drive, Shawville, PA 16873, Clearfield County, Pennsylvania.

Copies of the permit renewal will be available for review and copying at PADEP Northcentral Regional Office, 208 West Third Street, Suite 101, Williamsport, PA 17701-6448 during regular office hours. An appointment must be made with the PADEP to review the renewal application. Fees for copying may be charged by the PADEP. The host municipality and the county will also receive a copy of the application for review and may submit recommendations for permit conditions, revisions, permit approval or disapproval, and other comments to the PADEP within 60 days of receipt of the application. The PADEP will accept and consider comments from the public during the permit review period. Comments should be sent to the attention of Mr. Jared Dressler, Regional Director, at the PADEP Northcentral Office.
