

Thank You

We would like to thank all of the people who sent cards, gifts, flowers, food and especially their thoughts and prayers before and after the loss of our strong and brave Jess. A special thanks to Dr. Sachs, our special hospice nurse, Adamson Funeral Home, Kayla Kline and our great neighbors. Though Jess was dealt a rough hand, she could still find laughter and happiness in the little things: playing a card game, watching her kids play or just a car ride. She was a prime example that sometimes, it's just the little things in life that bring the most happiness.

**We will be forever grateful,
The Family of Jessica Williamson Johnson**
