Notice of Minor Permit Modification

State Only Permit 17-00063

Under 25 Pa. Code Section 127.462, the Department of Environmental Protection (DEP) intends to amend the operating permit issued to Pennsylvania Grain Processing, LLC (PGP) for its facility located in Clearfield, PA. State-Only Synthetic Minor Operating Permit (SMOP) 17-00063 was issued and last renewed on November 18, 2024. The proposed permit modifications include a minor increase in the VOC emissions limits for Source ID P206 (storage tanks), based on the EPA's October 2024 revisions to the VOC emissions calculation method, as applicable to the Source ID P206 storage tank operations. The estimated increase in VOC emissions is equal to 0.22 ton/year. No physical modifications, nor any changes in method of operation, were submitted by the permittee within this application submittal. SMOP 17-00063 contains applicable federal and state air quality regulatory requirements, including testing, monitoring, recordkeeping, reporting, and work practice requirements to verify compliance. PGP's representative to contact regarding this minor permit modification application is Brandon LaRosa, Environmental Engineer, Pennsylvania Grain Processing, LLC, at BrandonL@zfsinc.com or 616-879-1715.

All pertinent documents used in the evaluation of the application are available for public review during normal business hours at the Department's Northcentral Regional Office. Appointments to schedule a review must be made by calling 570-327-0550. Any person(s) wishing to provide comments on the proposed permit modification that they believe should be considered prior to issuance of the revised operating permit may submit those comments to Muhammad Q. Zaman, Environmental Program Manager, Department of Environmental Protection, Air Quality Program, 208 West Third Street, Suite 101, Williamsport, PA 17701, 570-327-3648.

A 21-day comment period from the date of this publication exists for the submission of comments. Each written comment must contain the following: name, address, and telephone number of the person submitting the comments; identification of the proposed permit (specify Permit No. 17-00063; and concise statements regarding the relevance of the information or objections to issuance of the permit. Persons with a disability who wish to comment and require an auxiliary aid, service, or other accommodation to participate should contact the Northcentral Regional Office at 570-327-3659.
