

In Loving Memory of

It has been forty years since you left us; exactly how, we really don't know. Your brothers, Brian & Steve, and sisters, Patti & Vicki, and their families have grown in number to 33. They would be so happy to have you with them and would love to be able to talk about the fun times you all had. I'm proud to have had you for over 27 years. I miss you so much!

Love, Mom
