Full-Time Mechanic - DuBois

The Area Transportation Authority (ATA) is seeking a qualified Mechanic to join our team at our DuBois facility. Qualified candidates should possess experience in the repair and maintenance of fleet vehicles. Experience working with both diesel and gasoline engines is required. Inspection certification and a CDL license are preferred. Knowledge of electronic diagnostics and computer systems is a plus.

ATA offers an excellent benefits package, and the hourly wage will be based on education, experience, and qualifications.

To request an employment application,
please call **(814) 965-2111** or apply online at
www.rideata.com/careers

Please submit your application and resume to:

Area Transportation Authority
Attn: Human Resources
44 Transportation Center
Johnsonburg, PA 15845
