## Cunard Coal Preparation Facility

Pursuant to the Surface Mine Conservation and Reclamation Act, notice is hereby given that King Coal Sales, Inc., PO Box 712, Philipsburg, PA 16866 has requested bond release for the Cunard Coal Preparation Facility (CMAP # 17921602) on the property of King Coal Sales, Inc. and R. J. Corman Railroad Company. This permit area is located in the community of Morrisdale, north of Morrisdale Allport Highway off of Cunard Lane as shown on the Philipsburg 7.5 Minute Quadrangle. The receiving stream for the permit area is an unnamed wetland to Alder Run.

The operator is requesting a Stage I, II, and III release to allow for deletion of 9.7 acres from CMAP 17921602 to be added to a PAG – 03 NPDES Permit. Stage 1 (successful backfilling and grading) and 2 (revegetation) bond release for 8.3 acres is also being requested. These areas were planted in 9/2022 and 9/2023. The total bond release requested is $89,813. Total bond currently held is $162,485.

Written comments, objections or a request for an informal conference concerning either the bond release application or in addition to either change in land use request should be submitted to the Pa. Department of Environmental Protection, Moshannon District Office, 186 Enterprise Drive, Philipsburg, PA 16866, within 30 days from the date of the final (4th) publication of this notice and must include the person’s name, address, telephone number, and a brief statement as to the nature of the objection.
