

PUBLIC NOTICE

Pursuant to the Pennsylvania Clean Streams Law, the Pennsylvania Department of Environmental Protection Rules and Regulations and the Surface Mining Conservation and Reclamation Act, notice is hereby given that Excelsior Contracting, LLC, 2339 Red Fox Lane, Tyrone, PA 16686 has made application to the Bureau of District Mining Operations, 186 Enterprise Drive, Philipsburg, PA 16866 for the purpose of renewing its existing surface mine permit, SMP #17100108, and related NPDES permit, PA0257362.

The permit was originally issued on July 15, 2011, and will expire on July 10, 2026. This renewal does not contain revisions to the existing operation. The receiving streams for the permit area are Blue Run, Dotts Hollow, and unnamed tributaries to Clearfield Creek. The 61.0 acre permit, known as Beccaria #1 is located in Beccaria Township, Clearfield County, approximately 0.5 miles west of the intersection of SR 0729 and T-542, Dotts Road. Access to the site is via an existing haul road directly off SR 0729 as shown on the U.S.G.S. 7-1/2' Irvona, quadrangle map, 9.0" north and 2.4" west of the bottom right-hand corner of the printed area of the map. The application, plans, and other data concerning this renewal are on file at the Moshannon District Mining Office at the address listed above. Anyone wishing to submit comments or requests for an informal conference concerning this application for renewal should write to the above listed Bureau of District Mining Operations address within thirty (30) days of the final publication of this notice stating his or her name, address, telephone number, and the nature of their comment. This application is made in accordance with the provisions of the Act of June 22, 1937, P.L., 1987, as amended.
