We Will Always Remember You

We will always remember you,
in our hearts, our thoughts,
and memories, too.

The times we laughed,
the tears we cried,
and all the precious times
you were by our side.

You are a shining star
up in the sky,
a light that will never fade or die.

Your brother shares stories with
nephews you never knew,
keeping your memory alive
in all they learn of you.

For as long as we remember,
and keep your memory true,
you will never be forgotten.

We will always love you.

***We love & miss you always,
Mom, brother Shawn & Family***
