

# Happy Easter!

A vibrant still life scene set on a green lawn. In the center is a large, spiral-sliced ham on a white platter, garnished with red grapes, yellow lemon slices, and green herbs. To the left, a chocolate Easter bunny sits next to a wicker basket filled with colorful, speckled Easter eggs. To the right, a white lily flower in a pink foil-wrapped pot adds a touch of elegance. The background is a soft-focus field of green grass and small white flowers.
