For over 100 years we've been providing personalized banking solutions for businesses and families in our communities. When you bank with us, you gain access to a wide range of financial products. Same ones as the big banks, but with hometown community bank service and care.

We've remained independent since we opened our doors in 1922. That means your deposits are reinvested right back into your communities, and we're committed to making them be the best they can be. *Come see why we're a bank worth the switch!*
