No One Does More For Veterans!

Our Mission: To foster camaraderie among United States veterans of overseas conflicts.

To serve our veterans, the military and our communities. To advocate on behalf of all veterans.

Our Vision: Ensure that veterans are respected for their service, always receive their earned entitlements, and are recognized for the sacrifices they and their loved ones have made on behalf of this great country.

About the Club's Wooden Sculpture

The 14-and-a-half-foot long, 7-foot-high, and 5-feet-wide wooden sculpture is placed at the club's outdoor memorial grounds. The wooden scene was modeled after one of the most iconic images of World War II, "The Raising of the Flag on Iwo Jima" by Joe Rosenthal of the Associated Press.
