

As a family-owned business rooted in this wonderful small town, we're reminded every 4th of July of the freedoms we're so lucky to enjoy, and the hardworking people who make our community so special.

From backyard BBQs to fireworks lighting up Main Street, Independence Day is a time to slow down, celebrate, and be grateful. Wishing you and your family a safe, joyful, and patriotic 4th of July!

Thank you for supporting local and allowing us to serve you year after year, since 1952!
